Dear Congregation Member,

Your Church Council is striving to keep all our members informed of developments as we prepare and implement our Winding Down plan. As you have probably heard, Canada Post has just increased the cost of mailing an individual letter to \$1.15. If you have an email address, please seriously consider contacting the church office at (709) 722-3023 or info@cochranestreetuc.com to be put on our electronic mailout list instead of receiving updates by Canada Post mail. Thank you for your consideration in helping us to be more environmentally responsible and reducing the cost and work involved.

Our next in-person service will be held on Sunday, May 26. As most of you are aware, our worship services will now be held at Cochrane on the last Sunday of the month, so please mark your calendar. There will be Coffee/Tea Time after the services in the community hall / event space – the Art Room, in May. You are more than welcome to bring some of your favorite treats to share with your church family.

Council Chair
