

Cemetery Report 2023

During 2023 I was asked to sit on the cemetery board. The Annual General meeting took place on March 22, 2023. Unfortunately, I do not have the correspondence from this meeting.

This year from Cochrane we met the budgeted amount of \$ 1,500 that was given to the Mount Pleasant during 2023. In the budget for 2024, the same amount of \$ 1,500 is allocated for the Cemetery Fund. Your contributions towards this external fund helps with general maintenance of the grounds and repairs to graves that need structural care.

Sincerely,

Karen Critch
