Dear Congregation Member

With the departure of our Minister, the church is required to develop a Mission Articulation Plan (MAP) that outlines the future direction and priorities of our church and how we propose to accomplish our various ministries. Your MAP team has been hard at work on your behalf preparing our MAP document, and it is now time for us to check back with the congregation to see if we are on the right track or if you would like us to include other considerations. Our draft document is attached, and all congregation members are encouraged to provide comments both positive and negative. You can email or phone a MAP team member directly, or email or mail your comments back to the church. MAP Team members will be available after the church service on July 31, 2022, for a meeting to hear your comments and suggestions and answer any questions.

God Bless
